

CHALET LOCATED IN THE HEART OF VERBIER

Chalet Morintse

4 Rooms

Description

This property is located in a T3 density zone, IBUS 0.5, offers very interesting development prospects. A preliminary project highlights the property's potential for expansion, emphasising the many assets that can be exploited.

Located in the heart of Verbier, this chalet stands in an unspoilt natural setting. Nestling between Ransou and Morintse regions, it enjoys a privileged location close to the Rouge ski lift, promising a unique skiing experience. In addition to its central location, providing quick access to Verbier's essential infrastructure, the property, set in 1,200 m² of land, offers a rare tranquillity, combining the best of both worlds: the effervescence of the resort and the calm of the mountains.

This property represents a rare opportunity to acquire a chalet in one of the most sought-after areas of Verbier.

Available to Swiss residents, B or C permit.
